Transforming Strategy into Meaningful People Experiences

Communication That Leads to Action™

Powered by OPEN Voice™ and SAFE Conversations™

TWO-DAY LEADERSHIP WORKSHOP EXPERIENCE

Build the Environment. Practice the Skills. Create Lasting Change.

OVERVIEW

Most communication training focuses on what to say. This two-day experience builds the environment and system that ensures communication leads to **clear decisions, accountable follow-through, and forward movement.**

Over two days, leaders move beyond surface-level communication skills and into a repeatable system that creates clarity, ownership, and sustainable results.

WHAT YOU'LL GAIN

Understand why communication breaks down at the system level—not the skill level

Build an OPEN environment that supports real dialogue

Use SAFE Conversations™ to move from discussion to decision

Apply the Five Action Paths™ to ensure clarity and ownership

Work through real organizational scenarios

Leave with a clear implementation path and tools you can use immediately
